RFP #2021-02

On Call Professional Services

Addenda #1 is issued to: respond to vendor questions

- 1) Given the unprecedented circumstances of COVID-19 (many people working from home, local printers closed or operating with limited staff and hours), will MRCOG please consider allowing firms to submit one digital (pdf) proposal submission via email, as opposed to printing and binding multiple hard copies?

Unfortunately, MRCOG/RMRTD cannot accept digital proposals at this time. Any response must be submitted as requested in the RFP section 3.0 RESPONSE FORMAT AND ORGANIZATION.

- 2) Can you please confirm that following element numbers and titles are correct?
 - Element 1: Transportation and planning Expertise
 - Element 2: Transit Planning Expertise
 - Element 3: Geographic Information Technology | Modeling | Technical Support
 - Element 4: Environmental and Historic Preservation Expertise
 - Element 5: Design and Engineering Expertise
 - Element 6: Architectural Expertise
 - Element 7: Railroad Planning and Design
 - Element 8: Public Involvement Expertise
 - Element 9: Economic Development Expertise
 - Element 10: Tribal Transportation and Planning Expertise
 - Element 11: Expertise in Equity Planning for Social and Environmental Justice

The above list is correct. A corrected RFP has been posted on the websites: <http://www.mrcog-nm.gov/> & <https://www.riometro.org/>
