RFI LOG and Request for Information /Clarification or RFP Language Change Form

Number	Identify RFP Specific Part; Page and Section	Question or Request for Clarification to RMRTD	Answers
1		Do the TAB pages count towards the page count?	No
2	Appendix 6.6	Is bidder required to submit a copy of Appendix 6.6 to RMTD/MRCOG Human Rights Office prior to bid or does submission with the proposal meet the requirement?	Submission with the proposal meets the requirement
3	Proposal page count	Do Appendix submissions count towards the 100 page count limit?	Yes
4	NMDOT procured GL Insurance	Will the \$323M GL policy RMRTD or NMDOT is placing cover the Contractor as a named insured, offering full protection under that policy as per noted in the insurance requirements (refer to the top of page 27)?)	Yes
5	NMDOT procured GL Insurance	The top of page 28 says (additional insured). It is an important distinction since additional insured status would only provide coverage for the Contractor if the policyholder is wholly or partially negligent and would not cover Contractor's 100% negligence. If we are a named insured, we would likely have coverage under that policy for our full 100% negligence.	Contractor will be a named insured
6	NMDOT procured GL Insurance	Can RMRTD provide copies of the policy that the agency will be providing?	See Attached
7	NMDOT procured GL Insurance	What aspect of the O&M scope of work is the RMRTD procured GL policy intended to cover? Just the train operations responsibilities? For example: derailments, slip and falls on the train and on platforms, pollution and seepage relating to operating of the railroad?	Refer to coverage and exclusions in the RMRTD provided insurance policy and the draft contract to make insurance coverage determinations.
8	NMDOT procured GL Insurance	Does RMRTD expect Contractor's CGL, Auto, WC, and Contractor's Pollution Liability cover just the maintenance scope of work (per docs: maintenance of equipment, maintenance of way, and PTC?)	Refer to coverage and exclusions in the RMRTD provided insurance policy and the draft contract to make insurance coverage determinations.
9	Appendix 6.11, 7 - Fare Collection	This section indicates RMRTD will be providing equipment for the fare collection. Please identify and describe the equipment RMRTD will be providing.	Currently we are using an I-phone 7 with AT&T service and data. The phones use a cradle called a Linea Pro 7 2d Scanner for credit card sales and scan tickets that are purchased through the App. In addition, we use a Bluetooth printer called a DDP-250 that prints the tickets that are purchased on board.
10	Appendix 6.11, 7 - Fare Collection	Is their any first level (phone support) required of the fare system?	You need to provide the details of the system you will provide and the support as requested

INSURING AGREEMENTS

I - COVERAGE

Lexington Insurance Company (the "Company") shall, subject to the limitations, terms, conditions and exclusions below, indemnify the **Insured** for **Ultimate Net Loss** the **Insured** pays by reason of liability:

- (a) imposed by law, or
- (b) of a person or party who is not an **Insured** assumed by the **Insured** under contract or agreement,

for **Damages** on account of:

- (i) **Personal Injury**
- (ii) **Property Damage**
- (iii) **Advertising Liability**

encompassed by an **Occurrence**, provided:

COVERAGE A: notice of the **Occurrence** shall have been first given by the **Insured** in an **Annual Period** during the **Policy Period** in accordance with Article V of this Policy, or

COVERAGE B: notice of the **Occurrence** shall have been first given during the **Discovery Period** in accordance with Article V of this Policy, but only if the **Discovery Period** option has been elected in accordance with the provisions of this Policy.

II - LIMITS OF LIABILITY

A. Regardless of the number of **Insureds** under this Policy, for each layer of coverage set forth in Item 2(a) of the Declarations the Company shall be liable only for that amount of **Ultimate Net Loss** for each **Occurrence** covered under this Policy which is in excess of the greater of:

- (1) the amounts indicated as the limits (including, without limitation, any reinstatements thereof, where applicable) of the underlying insurances and any self-insured retentions listed, or which should have been listed, on the present or any prior Schedule B annexed to this Policy and any other underlying insurance, as to which the Company and the **Named Insured** expressly agree that the insurance provided by this Policy shall:

- (a) be in excess in respect of such **Occurrences** or **Claims** and **Ultimate Net Loss** as are covered by said underlying insurances (it being understood that this Policy shall in no way be subject to, or affected by, the terms, conditions or exclusions of said underlying insurances), and

- (b) apply only as if such underlying insurances were fully available and collectable (except to the extent that any aggregate limits thereof are reduced or exhausted by actual payment of claims) for all occurrences or claims covered thereunder,

or

- (2) the per **Occurrence** retention amount listed in Item 2 of the Declarations (which may be satisfied only by **Ultimate Net Loss** as defined herein),

and then only up to the per **Occurrence** limit of liability stated in Item 2(a) of the Declarations in respect of such layer for each **Occurrence** covered hereunder, and further subject to the aggregate limit of liability stated in Item 2(b) of the Declarations for all layers for all **Occurrences** covered hereunder of which notice is first given during each **Annual Period** (or during the **Discovery Period** with respect to the immediately preceding **Annual Period** or portion thereof); provided, however, that for all **Insureds** the applicable aggregate limit of liability, per **Occurrence** limit of liability, per

Occurrence retention, and the terms, conditions and exclusions of coverage shall be determined under the Policy as in effect at the time notice of the **Occurrence** or **Notice of Integrated Occurrence** for which coverage is asserted is first given pursuant to Article V of this Policy by any **Insured**. This Policy shall not be subject to or follow the form of any underlying insurances but shall apply in accordance with its own terms, conditions and exclusions.

- B. All **Personal Injury** or **Property Damage** covered hereunder encompassed by an **Integrated Occurrence** shall be added together and treated as included within one **Occurrence**. If notice of an **Occurrence** (which was not a **Notice of Integrated Occurrence**) was given during a prior **Annual Period**, and if **Personal Injury** or **Property Damage** which is included in such **Occurrence** is included in an **Integrated Occurrence** of which **Notice of Integrated Occurrence** is first given during a subsequent **Annual Period**, all **Ultimate Net Loss** arising from such earlier notified **Occurrence** shall be included in the **Ultimate Net Loss** arising from such **Integrated Occurrence**. Any payments of **Ultimate Net Loss** on account of such earlier notified **Occurrence** shall be deemed to have been made under the **Annual Period** in which the Company received such **Notice of Integrated Occurrence**. The erosion of the applicable limits of liability in the respective **Annual Periods** of this Policy shall be adjusted to reflect such transfer of **Ultimate Net Loss** payments from the prior **Annual Period** to the **Annual Period** in which **Notice of Integrated Occurrence** was first given.
- C. (1) As regards any liability of an **Insured** which arises in any manner whatsoever out of operations or the existence of any **Joint Venture** in which such **Insured** has an interest, the liability of the Company under this Policy in each layer shall be limited to the product of (i) the percentage interest of the **Insured** in such liability of such **Joint Venture** (whether direct or by virtue of the insolvency of others interested in such **Joint Venture**) and (ii) the total limit of liability insurance afforded such **Insured** for such layer by this Policy.
- (2) It is further understood and agreed that in circumstances where paragraph (1) applies to limit the liability of the Company under this Policy, the Company shall be liable for each layer in respect of the liability of the **Insured** in excess of the greater of:
- (a) the product of the per **Occurrence** retention amount specified in Item 2 of the Declarations for such layer and the percentage interest of the **Insured** in such liability of such **Joint Venture** as determined pursuant to paragraph (1), or
 - (b) the limits of the underlying insurance(s) (as reduced by general provisions relating to **Joint Ventures**, if applicable).
- (3) It is further understood and agreed that paragraphs (1) and (2) of this Section C shall not apply if:
- (i) the **Insured** has sole responsibility for the **Joint Venture**, or
 - (ii) the **Insured** is obligated to provide insurance for the **Joint Venture** in its entirety such as is afforded by this Policy.
- D. The inclusion or addition hereunder of more than one **Insured** shall not operate to increase the Company's limits of liability beyond those set forth herein.

- L. (1) **Nature of Expectation or Intent**

Personal Injury, Property Damage or Advertising Liability shall be “**Expected or Intended**” where:

- (a) actual or alleged **Personal Injury, Property Damage or Advertising Liability** is expected or intended by an **Insured**;
- (b) as respects an **Integrated Occurrence**, an **Insured** has historically experienced a level or rate of actual or alleged **Personal Injury or Property Damage**; or

- (b) at the **Inception Date** by any **Executive Officer**, and/or

No inference shall be drawn from the giving of a **Notice of Integrated Occurrence** or from this paragraph (3) that actual or alleged **Personal Injury or Property Damage** arising out of sales of such products by the **Insured** prior to the date of such **Notice of Integrated Occurrence** either was or was not **Expected or Intended**.

M. “**Inception Date**” means the date set forth in Item 3 of the Declarations; provided, however, that with respect to any **Insured** which becomes an **Insured** subsequent to the **Inception Date**, the **Inception Date** for that **Insured** shall be the date such person or entity became an **Insured** under this Policy or such other date as may be agreed in writing between the **Named Insured** and the Company; provided further that as respects any layer of coverage not set forth in Item 2(a) of the original Declarations which is added by Endorsement, the **Inception Date** shall be the effective date of such Endorsement unless otherwise agreed in writing between the **Named Insured** and the Company.

- (1) use of any **Aircraft** for any commercial or charter passenger and/or cargo airline, any other **Aircraft** charter operation, any flight school or aviation training business or any other operations by which the **Insured** for compensation (other than cost reimbursement) makes available **Aircraft** owned, operated or used by it or aviation transportation services to others;

- (6) any **Joint Venture** in which any entity listed in paragraph (1) or (2) above has an interest, but only if:
 - (a) the **Insured** has sole responsibility for the **Joint Venture**, or
 - (b) the **Insured** is obligated to provide insurance for the **Joint Venture** in its entirety such as is afforded by this Policy.
- (7) It is agreed automatically to include as an **Insured** without listing on Schedule A hereto or adjustment of premium under this Policy for any **Annual Period** any entity acquired or formed by or merged with an **Insured** (a "Potential Additional Insured") during such **Annual Period** provided that:
 - (a) the fair value of the sum of all cash, securities, assumed indebtedness and other consideration expended by all **Insureds** for any such acquisition, formation or merger or any series of interrelated acquisitions, formations or mergers does not exceed 5% of the total assets of the **Named Insured** and its consolidated subsidiaries and affiliates as most recently reported to the Company for rating purposes prior to such **Annual Period**;
 - (b) the incremental annual gross revenues attributable to such acquisition, formation or merger or series of interrelated acquisitions, formations or mergers do not exceed 5% of the total annual gross revenues of the **Named Insured** and its consolidated subsidiaries and affiliates as most recently reported to the Company for rating purposes prior to such **Annual Period**; and

Unless notice to the Company shall have been given and additional premium, if any, shall have been paid in respect of any acquisition, formation or merger (or series thereof) not meeting the criteria set forth herein, such Potential Additional Insured shall not be an **Insured**

hereunder, and liability assumed by an **Insured** in connection with such acquisition, formation or merger (or series thereof) shall not be indemnified hereunder.

With respect to any **Occurrence** giving rise to liability of any Potential Additional Insured that qualifies as an **Insured** hereunder, the **Inception Date** shall be the date of merger with or acquisition or formation of the Potential Additional Insured by an **Insured** or such other date as may be agreed in writing between the **Named Insured** and the Company. If during any **Annual Period** an **Insured** acquires a business, division or other operations by asset acquisition, such asset acquisition shall be considered an acquisition of an entity for purposes of this paragraph (7).

- U. **"Notice of Integrated Occurrence"** means a notice pursuant to Definition R, given in accordance with the provisions of Article V, Sections C and D.
- V. (1) An **"Occurrence"** exists if, and only if:
- (a) except with respect to actual or alleged **Personal Injury** or **Property Damage** arising from the **Insured's Products**, there is an event or continuous, intermittent or repeated exposure to conditions which event or conditions commence on or subsequent to the **Inception Date**, or the **Retroactive Coverage Date**, if applicable, and before the **Termination Date** of Coverage A, and which cause actual or alleged **Personal Injury, Property Damage** or **Advertising Liability**;
 - (b) actual or alleged **Personal Injury** to any individual person, or actual or alleged **Property Damage** to any specific property, arising from the **Insured's Products** takes place on or subsequent to the **Inception Date**, or the **Retroactive Coverage Date**, if applicable, and before the **Termination Date** of Coverage A.
- (2) Except as provided in paragraph (3) below, where an **Occurrence** exists and a series of and/or several actual or alleged **Personal Injuries, Property Damages** and/or **Advertising Liabilities** occur which are attributable directly, indirectly or allegedly to the same actual or alleged event, condition, cause, defect, hazard and/or failure to warn of such, all such actual or alleged **Personal Injuries, Property Damages** and/or **Advertising Liabilities** shall be added together and treated as encompassed by one **Occurrence** irrespective of the period (but without limiting the effect of Exclusion IV.A) or area over which the actual or alleged **Personal Injuries, Property Damages** and/or **Advertising Liabilities** occur or the number of such actual or alleged **Personal Injuries, Property Damages** and/or **Advertising Liabilities**; provided, however, that any actual or alleged **Personal Injury, Property Damage** or **Advertising Liability** which is **Expected** or **Intended** by any **Insured** shall not be included in any **Occurrence**. D. ASSISTANCE AND COOPERATION

- (1) The Company shall not be called upon to assume charge of the settlement or defense of any **Claim** made or suit brought or proceeding instituted against an **Insured**, but the Company shall have the right and shall be given the opportunity to associate with the **Insured** or the **Insured's** underlying insurers or both in the defense and control of any **Claim**, suit or proceeding relative to any **Occurrence** where the **Claim** or suit involves, or appears reasonably likely to involve, the Company, in which event the **Insured** and the Company shall cooperate in all things in the defense of such **Claim**.

Any consideration paid by the **Insured** or the **Insured's** underlying insurers other than in legal currency shall be valued at the lower of cost or market, and any element of the **Insured's** profit or other benefit to the **Insured** shall be deducted in determining the value of such consideration. The Company may examine the underlying facts giving rise to a judgment against or settlement by the **Insured** to determine if, and to what extent, the basis for the **Insured's** liability under such judgment or settlement is covered by this Policy.

The **Insured** shall make a definite demand for payment for any amount of the **Ultimate Net Loss** for which the Company may be liable under this Policy within twelve (12) months after the **Insured** shall have paid such amount. If any subsequent payments shall be made by the **Insured** on account of the same **Occurrence** or **Claim**, additional demands for payment shall be made similarly from time to time. Such losses shall be due and payable by the Company thirty (30) days after they are respectively paid by the **Insured**, demanded and proven in conformity with this Policy.

G. REPRESENTATION

The **Named Insured** or such other person as it shall designate in Item 5 of the Declarations shall represent and have authority to bind the **Named Insured** and any and all **Insureds** hereunder in all matters under this Policy, including, without limitation, payment of premium, negotiation of the terms of renewal or reinstatement and the adjustment, settlement and payment of claims. The **Named Insured**, by notice to the Company in writing, may designate a substitute representative, which representative shall, effective as of the date such notice is received, be deemed to be designated in Item 5 of the Declarations.

H. OTHER INSURANCE

If other valid and collectible insurance with any other insurer, whether issued prior hereto, simultaneously herewith or subsequent hereto, is available to the **Insured** for **Ultimate Net Loss** covered by this Policy, other than insurance which is expressly and specifically excess of the limits of, or quota share on the same layer as, this Policy, the insurance afforded by this Policy shall be in excess of and shall not contribute with such other insurance. Nothing herein shall be construed to make this Policy subject to the terms, conditions or limitations of other insurance.

If this Policy shall be deemed or required to contribute to **Ultimate Net Loss** with other insurance and such contribution arises in whole or in part from the failure of the **Named Insured** to list such other insurance on Schedule B hereto in accordance with the instructions for such Schedule B, then the **Named Insured** shall indemnify the Company for the amount of any such contribution, and this Policy shall apply as if such other insurance had been so listed.

I. **SUBROGATION**

In the event of any payment hereunder, the Company shall be entitled to exercise rights of subrogation, and the **Insured** shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. In such case, the Company will act in concert with all other interested parties, including the **Insured**, concerned in the exercise of rights of recovery. The apportioning of any amounts which may be so recovered, net of expenses, shall follow the principle that any parties, including the **Insured**, that shall have paid an amount over and above any payment hereunder shall first be reimbursed up to the amount paid by them. The Company is then to be reimbursed out of any balance then remaining up to the amount paid by it; lastly, the parties of whose interests this coverage is in excess, including the **Insured**, are entitled to claim the residue, if any.

J. **CHANGES**

Notice to or knowledge possessed by any person shall not effect waiver or change in any part of this Policy or estop the Company from asserting any right under the terms of this Policy. The terms of this Policy may not be waived or changed, except by written endorsement issued to form a part hereof and signed by the Company.

K. **ASSIGNMENT**

Assignment of interest under this Policy shall not bind the Company unless and until its consent is endorsed hereon.

L. **CANCELLATION**

- (1) Coverage A under this Policy may be cancelled on a pro rata basis:
 - (a) at the end of any **Annual Period** by either the **Named Insured** or the Company by delivering prior written notice to the other;
 - (b) at any time by the **Named Insured** by delivering written notice to the Company at the address listed in Item 8(b) of the Declarations stating when, but in no event prior to the date such notice is received, cancellation shall be effective;
 - (c) at any time by the Company by delivering written notice to the **Named Insured** stating when, not less than ninety (90) days from the date the notice is received, cancellation shall be effective; or
 - (d) if any **Insured** shall institute a suit or proceeding against the Company other than as provided in Condition N below (or to enforce an award arising out of such arbitration), at any time thereafter by the Company by delivering written notice to the **Named Insured** stating when, not less than five (5) days from the date the notice is received, cancellation shall be effective.
- (2) This Policy will be cancelled automatically retroactive to the commencement of the **Annual Period**, if the premium or proof of payment thereof is not received by the Company within five (5) business days of the commencement of such **Annual Period**.
- (3) Coverage B may not be cancelled by either the **Named Insured** or the Company, except the Company may cancel effective immediately upon the delivery of written notice to the **Named**

Insured if the **Insured** should institute a suit or proceeding against the Company other than as provided in Condition N below (or to enforce an award arising out of such arbitration).

M. CURRENCY

The premiums and losses under this Policy are payable in the respective currency(ies) set forth in Item 6 of the Declarations. Unless otherwise specified in Item 6, such currency(ies) shall be United States dollars. If judgment is rendered, settlement is denominated or another element of **Damages** is stated in a currency other than in the applicable currency, payment under this Policy shall be made in the applicable currency at the rate of exchange prevailing on the date the final judgment is rendered, the amount of the settlement is agreed upon or the other element of **Damages** is due, respectively.

N. ARBITRATION

- (1) Any dispute, controversy or claim arising out of or relating to this Policy or the breach, termination or invalidity thereof shall be finally and fully determined in London, England under the provisions of the Arbitration Acts of 1950, 1975 and 1979 and/or any statutory modifications or amendments thereto, for the time being in force, by a Board composed of three arbitrators to be selected for each controversy as follows:

Any party may, in the event of such a dispute, controversy or claim, notify the other party or parties to such dispute, controversy or claim of its desire to arbitrate the matter, and at the time of such notification the party desiring arbitration shall notify any other party or parties of the name of the arbitrator selected by it. The other party who has been so notified shall within thirty (30) calendar days thereafter select an arbitrator and notify the party desiring arbitration of the name of such second arbitrator. If the party notified of a desire for arbitration shall fail or refuse to nominate the second arbitrator within thirty (30) calendar days following the receipt of such notification, the party who first served notice of a desire to arbitrate will, within an additional period of thirty (30) calendar days, apply to a judge of the High Court of Justice of England and Wales for the appointment of a second arbitrator and in such a case the arbitrator appointed by such a judge shall be deemed to have been nominated by the party or parties who failed to select the second arbitrator. The two arbitrators, chosen as above provided, shall within thirty (30) calendar days after the appointment of the second arbitrator choose a third arbitrator. In the event of the failure of the first two arbitrators to agree on a third arbitrator within said thirty (30) calendar day period, either of the parties may within a period of thirty (30) calendar days thereafter, after notice to the other party or parties, apply to a judge of the High Court of Justice of England and Wales for the appointment of a third arbitrator and in such case the person so appointed shall be deemed and shall act as the third arbitrator. Upon acceptance of the appointment by said third arbitrator, the Board of Arbitration for the controversy in question shall be deemed fixed. All claims, demands, denials of claims and notices pursuant to this Condition N shall be given in accordance with Condition U below.

- (2) The Board of Arbitration shall fix, by a notice in writing to the parties, involved, a reasonable time and place for the hearing and may prescribe reasonable rules and regulations governing the course and conduct of the arbitration proceeding, including without limitation discovery by the parties.
- (3) The Board shall, within ninety (90) calendar days following the conclusion of the hearing, render its decision on the matter or matters in controversy in writing and shall cause a copy thereof to be served on all the parties thereto. In case the Board fails to reach a unanimous decision, the decision of the majority of the members of the Board shall be deemed to be the decision of the Board and the same shall be final and binding on the parties thereto. Such decision shall be a complete defense to any attempted appeal or litigation of such decision in the absence of fraud or collusion. Without limiting the foregoing, the parties waive any right to appeal to, and/or seek collateral review of the decision of the Board of Arbitration by, any court or other body to the fullest extent permitted by applicable law.

- (4) Any order as to the costs of the arbitration shall be in the sole discretion of the Board, who may direct to whom and by whom and in what manner they shall be paid.
- (5) The Company and the **Insured** agree that in the event that claims for indemnity or contribution are asserted in any action or proceeding against the Company by any of the **Insured's** other insurers in any jurisdiction or forum other than that set forth in this Condition N, the **Insured** will in good faith take all reasonable steps requested by the Company to assist the Company in obtaining a dismissal of these claims (other than on the merits) and will, without limitation, undertake to the court or other tribunal to reduce any judgment or award against such other insurers to the extent that the court or tribunal determines that the Company would have been liable to such insurers for indemnity or contribution pursuant to this Policy. The **Insured** shall be entitled to assert claims against the Company for coverage under this Policy, including, without limitation, for amounts by which the **Insured** reduced its judgment against such other insurers in respect of such claims for indemnity or contribution, in an arbitration between the Company and the **Insured** pursuant to this Condition N, which arbitration may take place before, concurrently with and/or after the action or proceeding involving such other insurers; provided, however, that the Company in such arbitration in respect of such reduction of any judgment shall be entitled to raise any defenses under this Policy and any other defenses (other than jurisdictional defenses) as it would have been entitled to raise in the action or proceeding with such insurers (and no determination in any such action or proceeding involving such other insurers shall have collateral estoppel, res judicata or other issue preclusion or estoppel effect against the Company in such arbitration, irrespective of whether or not the Company remained a party to such action or proceeding).

O. LAW OF CONSTRUCTION AND INTERPRETATION

This Policy, and any dispute, controversy or claim arising out of or relating to this Policy, shall be governed by and construed in accordance with the internal laws of the State of New York, except insofar as such laws:

- (1) may prohibit payment in respect of punitive damages hereunder;
- (2) pertain to regulation under the New York Insurance Law, or regulations issued by the Insurance Department of the State of New York pursuant thereto, applying to insurers doing insurance business, or issuance, delivery or procurement of policies of insurance, within the State of New York or as respects risks or insureds situated in the State of New York; or
- (3) are inconsistent with any provision of this Policy;

provided, however, that the provisions, stipulations, exclusions and conditions of this Policy are to be construed in an evenhanded fashion as between the **Insured** and the Company; without limitation, where the language of this Policy is deemed to be ambiguous or otherwise unclear, the issue shall be resolved in the manner most consistent with the relevant provisions, stipulations, exclusions and conditions (without regard to authorship of the language, without any presumption or arbitrary interpretation or construction in favor of either the **Insured** or the Company or reference to the "reasonable expectations" of either thereof or to contra proferentem and without reference to parol or other extrinsic evidence). To the extent that New York law is inapplicable by virtue of any exception or proviso enumerated above or otherwise, and as respects arbitration procedure pursuant to Condition N, the internal laws of England and Wales shall apply.

P. LIABILITY OF THE COMPANY

The **Named Insured** and the **Insured** agree that the liability and obligations of the Company hereunder shall be satisfied from the funds of the Company alone and that the individual shareholders of the Company shall have no liability hereunder to the **Named Insured** or the **Insured**.

Q. POLICY EXTENSION

Subject to Condition L, Coverage A of this Policy may be extended at the expiration of each **Annual Period** for another **Annual Period**, subject only to agreement between the Company and the **Named Insured** as to the applicable premium and such other terms and conditions as the Company and the **Named Insured** may mutually deem appropriate. Coverage A shall expire at the end of an **Annual Period** if not extended (or upon cancellation thereof). Where Coverage A (or Coverage B) is cancelled or not extended, such cancellation or non-extension shall not affect the rights of the **Insured** as respects any **Occurrence** or **Integrated Occurrence** of which notice was given in accordance with the provisions of this Policy prior to such cancellation or non-extension and shall not limit whatever rights the **Insured** otherwise would have under this Policy as respects actual or alleged **Personal Injury, Property Damage** or **Advertising Liability** included in such **Occurrence** or **Integrated Occurrence** taking place subsequent to such cancellation or non-extension.

R. REINSTATEMENT

- (1) At the time of each annual Policy extension of Coverage A, the aggregate limit of liability set forth in Item 2(b) of the Declarations shall, unless otherwise agreed in writing between the **Named Insured** and the Company, automatically be reinstated with respect to covered **Occurrences** of which notice is first given during the following **Annual Period**. There shall be no separate premium charged for this automatic reinstatement in addition to that provided for in Condition Q above. There shall be no reinstatement of the aggregate limit of liability, unless otherwise agreed in writing by the Company, as respects Coverage B, and the remaining amount, if any, of the aggregate limit for the final **Annual Period** under Coverage A shall apply as respects the **Discovery Period**.
- (2) If during any **Annual Period**, as respects Coverage A only, the aggregate limit of liability set forth in Item 2(b) ("Original Aggregate Limit") of the Declarations is or may be impaired by virtue of **Occurrence(s)** of which notice has been given previously during such **Annual Period**, then the **Named Insured** shall be entitled to elect one reinstatement of all or any portion of such aggregate limit, based on the following terms and conditions:
 - (a) Such reinstatement must be elected in writing by the **Named Insured**, which election shall specify the amount being reinstated, not to exceed an amount equal to the Original Aggregate Limit ("Reinstatement Amount"), and must be accompanied by payment of the reinstatement premium as provided in subparagraph (c) below. Such reinstatement shall be effective as of the date of the receipt by the Company of such written election and premium ("Reinstatement Date").
 - (b)
 - (i) There shall be an aggregate sublimit of liability for all **Occurrences** of which notice is first given to the Company at any time during the entire **Annual Period** in an amount equal to the Original Aggregate Limit as respects all **Occurrences** of which the **Named Insured** is aware at the Reinstatement Date (including, without limitation, all **Occurrences** of which notice was first given during such **Annual Period** prior to such date and all **Integrated Occurrences** including **Personal Injury** or **Property Damage** which was included in any such prior noticed **Occurrences**). The **Named Insured** shall be deemed to have been aware of an **Occurrence** if any **Executive Officer** was aware of any actual or alleged **Personal Injury, Property Damage** or **Advertising Liability** which was included in such **Occurrence**, irrespective of whether or not such person believed or expected such **Occurrence** was likely to involve this Policy.
 - (ii) The aggregate limit of liability for all **Occurrences** of which the **Named Insured** is not aware at the Reinstatement Date and of which notice is first given to the Company during the portion of the **Annual Period** on or subsequent to the Reinstatement Date and during any **Discovery Period** in the event Coverage A terminates at the end of such **Annual Period** shall be:
 - (x) any unused portion of the Original Aggregate Limit pertaining to the portion of the **Annual Period** prior to the Reinstatement

Date and to any **Occurrences** of which the **Named Insured** is aware at such date; plus

(y) the Reinstatement Amount.

In no event shall the aggregate limit of liability under this subparagraph (2)(b)(ii) exceed the Original Aggregate Limit.

(iii) In no event shall the aggregate limit of liability of the Company in respect of all **Occurrences** of which notice is first given to the Company during the entire **Annual Period** exceed the sum of the Original Aggregate Limit and the Reinstatement Amount.

(c) The reinstatement premium shall be an amount determined by the Company, but in no event shall this exceed one hundred twenty-five percent (125%) of the total premium for the **Annual Period** in which the reinstatement takes place.

S. DISCOVERY PERIOD

- (1) In the event of **Termination** of Coverage A, other than by reason of cancellation for non-payment of premium or due to institution of a proceeding other than as contemplated by Condition N, the **Named Insured** may elect, prior to the **Termination Date** of such Coverage A, to secure Coverage B for the following **Annual Period** for such **Insureds** as the **Named Insured** shall designate, by giving the Company written notice of such election and paying to the Company the annual premium set forth in the attached Schedule D no later than the date of commencement of such **Annual Period**.
- (2) In the event that the **Named Insured** elects to secure Coverage B pursuant to paragraph (1) above, the **Named Insured** may elect to continue such Coverage B for any number of additional **Annual Periods** by giving the Company written notice of each election for a subsequent **Annual Period** and paying to the Company the corresponding annual premium set forth in the attached Schedule D no later than the end of the **Annual Period** for which such Coverage B was previously elected. If the **Named Insured** shall fail to elect Coverage B for any **Annual Period**, it may not elect Coverage B for any subsequent **Annual Period**.
- (3) For the purpose of application of retentions and limits of liability, notice of an **Occurrence** given during the **Discovery Period** shall be deemed to have been given during the final **Annual Period** in the **Policy Period**. The aggregate limit of liability shall not be reinstated for the **Discovery Period**.

T. FORMER SUBSIDIARIES, AFFILIATES AND ASSOCIATED COMPANIES

If any subsidiary, affiliate or associated company of the **Named Insured** which is an **Insured** hereunder shall cease to be such a subsidiary, affiliate or associated company of the **Named Insured**, then at such time Coverage A shall automatically terminate as to such former subsidiary, affiliate or associated company. Coverage A shall continue with respect to the **Named Insured** and any other entity which remains an **Insured** for its own liability, if any, arising out of its prior ownership of or affiliation or association with the former subsidiary, affiliate or associated company. At such time of such automatic termination of coverage, Coverage B shall, unless the **Named Insured** otherwise specifies, automatically incept as to such former subsidiary, affiliate or associated company and continue in force for the balance of the **Annual Period**, without additional payment or return of any premium. Prior to the end of the **Annual Period**, such former subsidiary, affiliate or associated company may, with written consent received by the Company from the **Named Insured**, elect to extend Coverage B beyond the end of the **Annual Period** on such terms and conditions, for such period, subject to such limits and for such additional premium as may be agreed with the Company.

U. NOTICE

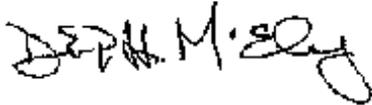

All notices under any provision of this Policy shall be in writing and given by hand, prepaid express courier, airmail or telecopier properly addressed to the appropriate party and will be deemed as having been effected only upon actual receipt. Notice to any **Insured** may be given to the **Named Insured** at the address shown in Item 1(b) of the Declarations or to such other person as the **Named Insured** shall designate in Item 5 of the Declarations.
