4.3 Organizational References

Offerors shall provide at least a minimum of three (3) references from similar projects performed for private, state or large local government clients within the last three years. Offerors are required to submit Appendix 7, Organization Reference Questionnaire, to the business references they list as part of their proposal response. Organizational References that are not received or are not complete, may adversely affect the vendor's score in the evaluation process. The Evaluation Committee may or may not contact any or all business references for validation of information submitted.

If this step is taken, the Procurement Officer and the Evaluation Committee must all be together on a conference call with the submitted reference so that the Procurement Officer and all members of the Evaluation Committee receive the same information. Additionally, the Agency reserves the right to consider all information available to it (outside of the Business Reference information required herein), in its evaluation of Offeror responsibility per 2.3.18.

4.4 Financial Stability

Offerors must submit copies of the most recent years independently audited financial statements and the most current 10K (if applicable), as well as financial statements for the preceding three years, if they exist. The submission must include the audit opinion, the balance sheet, and statements of income, retained earnings, cash flows, and the notes to the financial statements. If independently audited financial statements do not exist, Offeror must state the reason and, instead, submit sufficient information (e.g. D & B report) to enable the Evaluation Committee to assess the financial stability of the Offeror.

5.2.2 Contacting Offerors

The Procurement Officer may contact the Offeror for clarification of the response as specified in in this solicitation.

5.2.3 Finalist Selection

If feasible, MRCOG shall give Contractor a preliminary written notice of its intent to extend at least sixty (60) days before the Agreement expires. The preliminary notice does not commit MRCOG to an extension, and any

absence of notice shall not affect the validity of any exercise of the option to extend the term of this Agreement.

b. If the MRCOG exercises this option to extend the term of the Agreement, the extended Agreement shall be considered to include this option provision.

c. The total duration of this Agreement, including the exercise of any options under this clause, shall not exceed four (4) years.

10. **Status of Contractor.** The Contractor is an independent contractor and is not an employee of the MRCOG.

11. **Assignment.** The Contractor shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written approval of the MRCOG. In the event MRCOG fails to give Contractor notice of any such demand, notice, summons, or other process received by MRCOG, and such failure to give said notice shall result in prejudice to Contractor in its defenses of any action or legal proceeding in which Contractor is required to indemnify the MRCOG, then such failure or delay shall release Contractor of its liability as set forth in this indemnification agreement, but only insofar as the particular claim or legal proceeding is concerned, and only to the extent of such prejudice. Nothing

in this section shall be deemed a change or modification in any manner whatsoever of the method or conditions of preserving, asserting, or enforcing any claim or legal liability against MRCOG. This section shall not be construed as a waiver of the MRCOG's immunity. The provisions of this section shall not be construed to prohibit Contractor from seeking contribution or indemnity from any third party which may have caused or contributed to the event for which Contractor indemnifies the MRCOG.

15. **Records and Audit.** The Contractor shall maintain detailed time records that indicate the date, time and nature of services rendered. These records shall be provided by the Contractor for inspection by the MRCOG, or the entity's designee upon written request of the MRCOG. The MRCOG has the right to audit both before and after payment. Payment under this Agreement is not a waiver of the right of the MRCOG to recover excessive or illegal payments.
16. **Release.** Upon receipt of final payment of the amount due under this Agreement, the Contractor shall release the MRCOG, its employees and the MRCOG from all liabilities, claims and obligations arising from or under this Agreement.
17. **Authority.** The Contractor agrees not to purport to bind the MRCOG to any obligation not assumed in this Agreement by the MRCOG, unless the Contractor has express written authority to do so, and then only within the strict limits of that authority.
18. **Compliance with Laws.** In performing services pursuant to this Agreement, the Contractor shall comply with the laws of the State of New Mexico and the policies of the MRCOG.
19. **Conflict of Interest.** The Contractor warrants that the Contractor currently has no interest and shall not acquire any interest, direct or indirect, that does or would conflict in any manner or degree with the performance of services required under this Agreement.
20. **Amendment.** This Agreement shall not be changed or supplemented except by a written instrument executed by the parties.
21. **Scope of Agreement.** This Agreement incorporates all the agreements and understandings between the parties concerning its subject matter, and all agreements and understandings have been merged into this Agreement. No prior or contemporaneous agreement or understanding, verbal or otherwise, of the parties or their agents concerning the subject matter of this Agreement is valid or enforceable unless included in this Agreement.
22. **Notice.** This Agreement is subject to the applicable provisions of the Procurement Code. That act imposes civil and criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, illegal gratuities and kickbacks.
23. **Equal Opportunity Compliance.** The Contractor agrees to comply with all federal and state laws pertaining to equal employment opportunity. In accordance with all such laws, the Contractor agrees to assure that no person in the United States shall, on the grounds of race, color, national origin, gender, sexual orientation, age or handicap, be excluded from employment or participation in, be denied the benefits of or be otherwise subjected to discrimination under any program or activity performed under this Agreement.
