Tony Sylvester, RMRTD Planning Manager, introduced Madeline Pelzel (Associate, Huitt-Zollars, Inc) and Bethany Whitaker (Senior Principal, Nelson/Nygaard Consulting Associates, Inc.) for the Transit Consolidation Study Presentation.

Ms. Pelzel and Ms. Whitaker stood for questions.

Mr. Rael expressed his concerns with the study which he believes simply maintains the status quo. Both Mr. Rael and Councilor Feibelkorn noted that they believe the study did not address the intent of both the Rio Metro and the City of Albuquerque resolutions.

Further discussions on the Consolidation Study will be held at future RMRTD Board meetings.

The Transit Consolidation Study is available by contacting Rio Metro Regional Transit District and is also available on the RMRTD website.

**Director's Report/Comments**

Director Cave reported on marketing activities of the RMRTD, noting Day of the Tread and Litinos in Transportation. He noted that election of officers will be on the December or January agenda and encouraged Board members to give this some consideration.

Mr. Cave stood for questions. Board Member Rael asked for more information on marketing activities.
