RFB#: 2019-06

Pursuant to the Procurement Code, Sections 13-1-28, et seq., NMSA 1978 and NMSA 1978, 13-1-191.1 (2006), as amended by Laws of 2007, Chapter 234, any prospective contractor seeking to enter into a contract with any state agency or local public body **for professional services, a design and build project delivery system, or the design and installation of measures the primary purpose of which is to conserve natural resources** must file this form with that state agency or local public body. This form must be filed even if the contract qualifies as a small purchase or a sole source contract. The prospective contractor must disclose whether they, a family member or a representative of the prospective contractor has made a campaign contribution to an applicable public official of the state or a local public body during the two years prior to the date on which the contractor submits a proposal or, in the case of a sole source or small purchase contract, the two years prior to the date the contractor signs the contract, if the aggregate total of contributions given by the prospective contractor, a family member or a representative of the prospective contractor to the public official exceeds two hundred and fifty dollars (\$250) over the two year period.

Furthermore, the state agency or local public body may cancel a solicitation or proposed award for a proposed contract pursuant to Section 13-1-181 NMSA 1978 or a contract that is executed may be ratified or terminated pursuant to Section 13-1-182 NMSA 1978 of the Procurement Code if: 1) a prospective contractor, a family member of the prospective contractor, or a representative of the prospective contractor gives a campaign contribution or other thing of value to an applicable public official or the applicable public official's employees during the pendency of the procurement process or 2) a prospective contractor fails to submit a fully completed disclosure statement pursuant to the law.

The state agency or local public body that procures the services or items of tangible personal property shall indicate on the form the name or names of every applicable public official, if any, for which disclosure is required by a prospective contractor.

THIS FORM MUST BE INCLUDED IN THE REQUEST FOR PROPOSALS AND MUST BE FILED BY ANY PROSPECTIVE CONTRACTOR WHETHER OR NOT THEY, THEIR FAMILY MEMBER, OR THEIR REPRESENTATIVE HAS MADE ANY CONTRIBUTIONS SUBJECT TO DISCLOSURE.

The following definitions apply:

"Applicable public official" means any person elected to an office or a person appointed to complete a term of an elected office, who has the authority to award or influence the award of the contract for which the prospective contractor is submitting a competitive sealed proposal or who has the authority to negotiate a sole source or small purchase contract that may be awarded without submission of a sealed competitive proposal.

"Campaign Contribution" means a gift, subscription, loan, advance or deposit of money or other thing of value, including the estimated value of an in-kind contribution, that is made to or received by an applicable public official or any person authorized to raise, collect or expend contributions on that official's behalf for the purpose of electing the official to statewide or local office. "Campaign Contribution" includes the payment of a debt incurred in an election campaign, but does not include the value of services provided without compensation or unreimbursed travel or other personal expenses of individuals who volunteer a portion or all of their time on behalf of a candidate or political committee, nor does it include the administrative or solicitation expenses of a political committee that are paid by an organization that sponsors the committee.

"Family member" means spouse, father, mother, child, father-in-law, mother-in-law, daughter-in-law or son-in-law of (a) a prospective contractor, if the prospective contractor is a natural person; or (b) an owner of a prospective contractor.

"Pendency of the procurement process" means the time period commencing with the public notice of the request for proposals and ending with the award of the contract or the cancellation of the request for proposals.

“Prospective contractor” means a person or business that is subject to the competitive sealed proposal process set forth in the Procurement Code or is not required to submit a competitive sealed proposal because that person or business qualifies for a sole source or a small purchase contract.

“Representative of a prospective contractor” means an officer or director of a corporation, a member or manager of a limited liability corporation, a partner of a partnership or a trustee of a trust of the prospective contractor.

Any change in Contractor's appointment of its Project Manager shall not be allowed until approved in writing by MRCOG.

Section 3. Compensation and Method of Payment

A. For performing the Services specified in Exhibit A hereof, the Parties agree to pay the Contractor up to the amount of _____ Dollars \$_____, which amount shall include any gross receipts tax and which shall constitute full and complete compensation for the Services under this

Contract, including all expenditures made and expenses incurred by the Contractor in performing such services in accordance with Exhibit B Schedule of Fees included in this Contract.

Section 4. Method of Payment.

A. Payment to Contractor. Amounts due to Contractor shall be paid to the Contractor upon receipt by the Parties of properly documented invoices for payment as determined by the budgetary and fiscal guidelines of the Parties and upon receipt of payment by the Parties from the funding agency. Payments to the Contractor shall be paid within the time periods prescribed by statute.

B. Reports Required. Contractor will attach to the invoice a detailed work effort and progress report in a format mutually agreed upon by the Parties Project Manager and the Contractor. Payments shall be made only after verification and acceptance of the progress reports by the Parties Project Manager.

C. Verification of Invoices. The Parties shall be entitled to verify the personnel time and other costs charged to the Parties pursuant to the provisions of this Contract.

Section 5. Time of Performance

The Services described herein shall commence on the date this Contract is executed and shall be completed within one (1) year, unless the time for completion is extended pursuant to Option to Extend Term contract clause contained herein.

Section 6. Independent Contractor

A. Neither Contractor nor its employees are considered to be employees of the Parties for any purpose whatsoever. Contractor is considered an independent contractor at all times in the performance of the Services described herein. Contractor further agrees that neither it nor its employees are entitled to any benefits from the Parties under the provisions of the Workers' Compensation Act of the State of New Mexico, or to any of the benefits granted to employees of the Parties.

Section 7. Personnel

A. Contractor represents that it has, or will secure at its own expense, all personnel required in performing all of the Services required under this Contract. Such personnel shall not be employees of nor have any contractual relationship with the Parties.

B. All the Services required hereunder will be performed by Contractor or under its supervision and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under state and local law to perform such Services.

C. None of the work or the Services covered by this Contract shall be subcontracted without the prior approval of the Parties. Any work or Services subcontracted hereunder shall be specified by written contract or Contract and shall be subject to each provision of this Contract.

Section 8. Insurance

A. General Requirements. The Contractor shall, at its own cost and expense, procure and maintain in full force and effect during the term of this Contract, such insurance as is required in this Contract. Policies of insurance shall be written by companies authorized to write such insurance in New Mexico, and policies of insurance shall be on forms properly filed and approved by the Superintendent of Insurance, State of New

Mexico. Policies of insurance shall be procured for all required coverage limits of such policies of insurance and shall not be reduced or replaced in part or in whole by self-insurance, including self-insurance retention amounts, except as provided hereinafter.

If the Contractor sublets, assigns or otherwise transfers any interest in any part of this Contract, the Contractor shall include any or all transferees in the Contractor's insurance policies or require such transferees to secure insurance to cover all hazards enumerated in this Contract that are not covered by the Contractor's insurance policies.

The Contractor shall not violate the terms or prohibitions of insurance policies required to be furnished by the Contractor. The Contractor shall promptly notify the Parties of any claim or loss exceeding the amount of the deductible under such insurance policies and certify that proper notice has been given the appropriate insurance carrier.

B. The Contractor shall furnish the Parties with certificates of insurance, substantially the same as attached hereto in Exhibit B, and shall deliver said certificates to the Project Manager, MRCOG 809 Copper Ave., N.W., Albuquerque, New Mexico 87102. All insurance certificates shall provide that thirty (30) days written notice be given to the Project Manager before a policy is canceled, materially changed, or not renewed. Various types of required insurance may be written in one or more policies. A certificate or policy which states that the failure to give the Parties notice imposes no liability or obligation on the insurer shall not be in compliance with this Section. For instance, certificates or policies stating that the insurance company shall "endeavor to notify" and that "failure to give such notice imposes no obligation" on the insurance company are unacceptable to the Parties. Documents establishing the continuation or replacement of insurance shall be received by the Parties no less than thirty (30) days prior to the expiration of the insurance coverage.

C. Approval of Insurance. Even though a "notice to proceed" may have been given, neither the Contractor nor any subcontractors, assignees or other transferees of the Contractor shall begin any operations pursuant to this Contract until the required insurance has been obtained and proper certificates of insurance delivered to the Project Manager. Neither approval nor failure to disapprove insurance certificates of insurance by the Parties shall relieve the Contractor or any transferees of full responsibility to maintain the required insurance in full force and effect.

D. Increased Limits. If, during the term of this Contract, the legislature of the State of New Mexico increases the maximum limits of liability under the Tort Claims Act (Sections 41-4-1 through 41-4-27, NMSA 1978) to an amount greater than that required for commercial general liability including auto above, the MRCOG may require Contractor to increase the limits of any insurance required herein to an amount equal to such increased Tort Claim Act maximum limits of liability.

E. Additional Insured. The MRCOG and the MRCOG shall be named as an additional insured on each insurance policy required for commercial general liability including auto above.

F. Workers' Compensation Insurance. The Contractor shall comply with the provisions of the New Mexico Workers' Compensation Act, the Subsequent Injury Act, and the New Mexico Occupational Disease Disablement Law. The Contractor shall procure and maintain during the term of this Contract complete Workers' and Employer's Liability Insurance in accordance with New Mexico laws and regulations. Such insurance shall include coverage permitted under Section 52-1-10, NMSA 1978, for safety devices. With respect to Workers' Compensation Insurance, if the Contractor elects to be self-insured, the Contractor shall comply with the applicable requirements of law. If any portion of the work is to be sublet, the Contractor shall require the subtenants similarly to provide such coverage (or qualify as a self-insured) for all the latter's employees to be engaged in such work. The Contractor hereby covenants and agrees that the Parties,

its officers, or employees will not be liable or responsible for any claims or actions occasioned by the Contractor's failure to comply with the provisions of this subparagraph and that the indemnification provision of this Contract shall apply to this paragraph. It is expressly agreed that the employees of Contractor are not the Parties employees for any purpose.

G. Self-Insurance Retention/Deductibles. In the event any of the insurance policies required in this Section (except as allowed by New Mexico law regarding Workers' Compensation) contain a self-insurance retention provision (whether or not in the form of a deductible), for each such amount, the Contractor shall post a bond or an irrevocable letter of credit made exclusively for the benefit of the Parties and held by a bank authorized to do business in New Mexico which is acceptable to the Parties.

H. Contents Insurance. Contractor shall be solely responsible for obtaining insurance policies that provide coverage for losses of Contractor owned property. The Parties shall not be required to provide such insurance coverage or be responsible for payment of Contractor's cost for such insurance.

Section 9. Reports, Information and Ownership of Documents

A. Reports and Information. During the performance of this Contract and upon the completion or earlier termination of the services required under this Contract, Contractor shall furnish to the Parties such statements, records, reports, data and information as requested by the Parties pertaining to matters covered by this Contract.

B. Release of Information. Contractor shall not release any data, reports or other information of any nature whatsoever to any entity or person other than to the Parties unless specifically authorized to do so in writing in advance by the Parties.

C. Ownership and Use of Documents. Contractor's work product produced pursuant to this Contract shall become the sole property of the Parties. Such work product shall include but not be limited to reports, background data, drawings, calculations, technical data, data related specifically to this Contract, specifications, manuals and/or related documents.

D. Computer Program Licensing Contracts. The Parties shall have the option to require (at Parties cost) that the Contractor provide any and all computer licensing Contracts necessary to permit the Parties to use computer programs and data related to the services performed by Contractor under this Contract.

E. Future Use. The Parties' use of computer programs and computer stored data developed under the requirements of this Contract for purposes other than the services required of Contractor as specified in this Contract shall be at the Parties' risk, and Contractor shall be held harmless for such use. Contractor does not represent that the computer programs and computer data developed under this Contract are suitable for reuse under different conditions. This paragraph shall not apply to the performance of this Contract nor in instances where the Contractor is retained to perform subsequent services using the work product developed pursuant to this Contract.

F. Publication, Reproduction and Use of Materials. No materials or documents produced in whole or in part under this Contract shall be subject to copyright in the United States or in any other country. The Parties shall have the unrestricted authority and right to copyright, publish, disclose, distribute and otherwise use, in whole or in part, any reports, data, or other materials (hereafter "Materials") prepared under this Contract. Contractor may use Materials created under this Contract as reference and research materials and as representations of the services performed under this Contract only after the Materials are completed and accepted by the Parties, provided that such Materials shall not include the Parties confidential or proprietary information, to the extent the Parties provides Contractor with notice that such

materials are considered confidential or proprietary by the Parties. The Parties shall provide professional credit for Contractor in promotional materials for services rendered pursuant to this Contract, if so, requested in writing by Contractor.

Section 10. Establishment and Maintenance of Records

A. Records shall be maintained by Contractor in accordance with applicable law and requirements prescribed by the Parties with respect to all matters covered by this Contract. Except as otherwise authorized by the Parties, such records shall be maintained for a period of three (3) years after receipt of final payment under this Contract.

Section 11. Audits and Inspections

A. At any time during normal business hours and as often as the Parties may deem necessary, there shall be made available to the Parties or the funding agency and the State Auditor for examination all of Contractor's records with respect to all matters covered by this Contract. Contractor shall permit the Parties, or its authorized representatives, to audit, examine, and make excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Contract. Contractor shall maintain such records at its office and provide them to the Parties at the Parties offices in Albuquerque, New Mexico, within fifteen (15) days after receiving a written request for such records by the Parties. In the event Contractor does not wish to make its books and records available at the Parties offices, then Contractor shall pay reasonable travel and accommodation expenses for the Parties staff or its duly authorized representatives to travel to Contractor's offices to conduct the audit.

Section 12. Changes

A. The Parties may, from time to time, request changes in the Services to be performed hereunder. Such changes, including any increase or decrease in the amount of Contractor's compensation, that are mutually agreed upon by and between the Parties and Contractor shall be incorporated in written amendments to this Contract.

Section 13. Suspension

A. Suspension of Work. The Parties shall be entitled at any time to suspend, delay, or interrupt all or any part of the Services required of Contractor by this Contract. Such order shall be in writing and identified as a "Suspension of Work Order". Contractor shall incur no further costs allocable to the Services during the period of suspension, delay, or interruption. Contractor shall be reimbursed for all services performed up to the time of its receipt of the Suspension of Work Order; to the extent such services are accepted pursuant to Section 4 of this Contract.

B. Resumption of Work. In the event the Parties cancels a Suspension of Work Order, Contractor shall resume performing the Services in a timely manner and shall be entitled to an equitable adjustment in compensation but only if the Parties determines that the Suspension of Work Order resulted in additional costs to Contractor in its performance of the Services and Contractor asserts a claim for such additional costs within thirty days after the cancellation of the Suspension of Work Order.

Section 14. Termination

A. Termination by the Parties for Cause, ten (10) day notice. If through any cause Contractor shall fail to fulfill in a timely and proper manner its obligations under this Contract, or if Contractor shall violate any

of the covenants, Contracts or stipulations of this Contract, the Parties shall thereupon have the right to terminate this Contract by giving written notice to Contractor of such termination and specifying the effective date thereof at least ten (10) days before the effective date of such termination.

Notwithstanding the above, Contractor shall not be relieved of liability to the Parties for damages sustained by the Parties by virtue of any breach of this Contract by Contractor, and the Parties may withhold any payment to Contractor for the purposes of set-off until such time as the exact amount of damages due the Parties from Contractor is determined.

B. Termination by the Parties: twenty (20) day notice. The Parties may terminate this Contract at any time by giving at least twenty (20) day notice in writing to Contractor. Said twenty (20) days shall run from the day on which Contractor received said notice of termination. In the event this Contract is terminated by the Parties as provided herein, the Contractor shall be paid an amount that bears the same ratio to the total compensation as the Services actually performed bear to the total Services of Contractor covered by this Contract, less payments of compensation previously made. If this Contract is terminated due to the fault of Contractor, Paragraph A of this section hereof, relative to termination, shall apply.

C. Work Product. In the event of termination under the provisions of this section, all finished or unfinished documents, data, maps, studies, surveys, drawings, models, photographs and reports prepared by Contractor under this Contract shall, at the option of the Parties, become the property of the Parties, and Contractor shall deliver such work product to the Parties within thirty (30) days of receipt of the request of the Parties.

D. Termination by Contractor: thirty (30) Day notice. The Contractor shall be entitled to terminate this Contract in the event of a default by the Parties in the performance of any covenant or Contract herein required to be performed by the Parties and the failure of the Parties to remedy such default for a period of thirty (30) days after receipt from the Contractor of written notice to remedy the same; provided, however, that no notice of termination, as above provided, shall be of any force or effect if the Parties shall have remedied the default prior to receipt of the Contractor's notice of termination.

E. Non-Funding. The performance of this Contract is contingent upon the necessary appropriations and authorizations forthcoming for the performance of this Contract. If sufficient appropriations and authorizations are not made, this Contract may be terminated by the Parties by giving notice to Contractor. Such event shall not constitute an event default by the Parties. All payment obligations of the Parties shall cease upon the date of termination. The Parties' decision as to whether sufficient appropriations are available or sufficient shall be binding on Contractor and shall be final. The date of termination issued pursuant to this paragraph shall be the date a notice of termination is received by Contractor.

Section 15. General Conditions

A. Contract Interpretation.

1) Severability. In the event any covenant, condition or provision herein is held to be invalid, illegal, or unenforceable by any court of competent jurisdiction, such covenant, condition or provision shall be deemed amended to conform to applicable laws so as to be valid or enforceable or, if it cannot be so amended without materially altering the intention of the parties, it shall be stricken. If stricken, all other covenants, conditions and provisions of this Contract shall remain in full force and effect provided that the striking of such covenants, conditions or provisions does not materially prejudice either the Parties or the Contractor in its respective rights and obligations contained in the valid covenants, conditions or provisions of this Contract.

2) Waiver. No provision of this Contract shall be deemed to have been waived by either party unless such waiver is in writing, signed by the party making the waiver and addressed to the other party, nor shall any custom or practice which may evolve between the parties in the administration of the terms of this Contract be construed to waive or lessen the right of either party to insist upon the performance of the other party in strict accordance with the terms of this Contract. Further, the waiver by any party of a breach by the other party or any term, covenant, or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant, or condition thereof.

3) Gender, Singular/Plural. Words of any gender used in this Contract shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires.

4) Captions and Section Headings. The captions, section headings, and table of contents contained in this Contract are for convenience of reference only, and in no way limit, define, or enlarge the terms, scope, and conditions of this Contract.

5) Entire Contract. This Contract represents the entire contract between the parties and, except as otherwise provided herein, may not be amended, changed, modified, or altered without the written consent of the parties hereto. This Contract incorporates all of the conditions, Contracts, and understandings between the parties concerning the subject matter of this contract, and all such conditions, understandings and Contracts have been merged into this written Contract. No prior condition, Contract, or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in this written Contract.

6) Relationship of Contract Documents. All documents attached to this Contract or incorporated into this Contract are complementary, and any requirement of one contract document shall be as binding as if required by all.

7) Exhibits Certificates, Documents Incorporated and Attachments. Incorporation by Reference: All certificates, documents, exhibits, attachments, riders, and addenda referred to in this Contract are hereby incorporated into this Contract by reference and made a part hereof as though set forth in full in this Contract to the extent they are consistent with its conditions and terms.

8) Applicable Law. This Contract shall be governed by and construed and enforced in accordance with the laws of the State of New Mexico, and the laws, rules and regulations of the Parties.

9) Successors. All covenants, stipulations and Contracts in this Contract shall extend to and bind the legal representatives, successors, and assigns of the respective parties hereto.

10) Governmental Rights and Powers. Nothing in this Contract shall be construed or interpreted as limiting, relinquishing, or waiving any rights of ownership enjoyed by the Parties or waiving or limiting the Parties' control over the management, operations, or maintenance of its property, except as specifically provided in this Contract, or impairing, exercising or defining governmental rights and the police powers of the Parties.

B. Discrimination Prohibited.

1) General. In the use and occupation of the Parties premises, the Contractor shall not discriminate against any person or class of persons by reason of race, color, religion, sex, national origin or ancestry, age, or physical or mental handicap.

2) Civil/Human Rights Laws. In the operation and use of the Parties premises, the Contractor shall not on the grounds of race, color, religion, sex, national origin or ancestry, age, or physical or mental handicap, discriminate or permit discrimination against any person or group of persons in any manner prohibited by Title 49 CFR Part 21, the Civil Rights Act of 1964, as amended, the Equal Pay Act of 1963, the Rehabilitation Act of 1973, and the New Mexico Human Rights Act. Without limiting the generality of the foregoing, the Contractor agrees to not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin or ancestry, age, or physical or mental handicap. The Contractor agrees to take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, national origin or ancestry, age, or physical or mental handicap. Such action shall include, but not be limited to: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; selection for training; and disciplinary actions and grievances. The Contractor agrees to post in conspicuous places available to employees, and applicants for employment, notice to be provided setting forth the provisions of this non-discrimination clause.

3) The Contractor, for itself, its heirs, personal representatives, successors in interest, and assigns, as a part of the consideration of this Contract, does hereby covenant and agree that: (1) no person on the grounds of race, color, religion, sex, national origin or ancestry, age, or physical or mental handicap shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, religion, sex, national origin or ancestry, age, or physical or mental handicap shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination, (3) that the Contractor shall use the Parties facilities (when applicable) in compliance with all other requirements imposed by, or pursuant to, the New Mexico Human Rights Act, and 49 CFR Parts 21 and 23, and as said regulations may be amended.

4) Contractor's violation of this section shall be deemed a material breach of this Contract.

5) Contractor shall include the provisions of this section in every subcontract, including procurement of materials and leases of equipment (unless exempt by the above referenced regulations or orders of instructions issued pursuant thereto), in the performance of this Contract.

C. Indemnification Contract.

1) General Indemnification. The Contractor agrees to indemnify and hold harmless the Parties, including its officers, employees or agents, against all liability, claims, damages, losses or expenses, including attorney fees, only to the extent that the liability, claims, damages, losses or costs are caused by, or arise out of, the acts or omissions of the Contractor or its officers, employees or agents.

2) Insurance. The indemnity required herein shall not be limited by the specification of insurance coverages in this Contract.

3) Survives the Term. This indemnification Contract shall survive the term of this Contract.

4) Scope of Indemnification.
