Addendum #2
RFP #2020-01
MRCOG 2020 Regional Digital Orthophotography Project

Addendum #2 is issued to answer vendor questions

1. *Would MRCOG consider purchasing imagery (of the same or better quality to what is asked for) through a low-cost imagery content program?*
The tiled and mosaiced data needs to be able to be shared with multiple agencies and the public - so only if that is possible with this sort of acquisition.
2. Are push-broom sensors acceptable?
No
3. Is offshore labor acceptable?
No
4. Can you provide geo-referenced boundary files for your area of interest?
Please see website for zip files
5. Can you provide a geo-referenced file of your existing LIDAR coverage?
Please see website for zip files
6. Can you provide your current tile layout?
Please see website for zip files
